The Smaller Authorities Transparency Code came into force on 1 April 2015 and requires the online publication of certain information which the Government requests, to provide taxpayers with a clear picture of the authority's activities, spending and governance. The Transparency Legislation applies to local councils (and internal drainage boards) with a **turnover of less than £25,000**. Parish meetings are not eligible.

Funding and guidance is available to assist smaller parish councils with complying with the code, which is now compulsory, through Gloucestershire Association of Parish and Town Councils (GAPTC).

## Celebrating 10 years of GRCC Village & Community Agents

This year marks the 10<sup>th</sup> anniversary of GRCC's Village and Community Agents scheme. The scheme has grown over the years due to its success and now Agents are supporting communities countywide. In addition we have a team of Community Agents working with Black, Minority Ethnic and Migrant communities throughout the county and Specialist Cancer Agents trained to support people over the age of 18 who are affected by cancer.

Many of our Agents have been with GRCC for well over 5 years but we would like to put out a special thank you to those who have been with us since the beginning and therefore celebrating their own 10 year anniversary with GRCC. In Stroud they are; **Sue Colquhoun, Christine Lingard and Lou Kemp**. Lou is now a Village & Community Agent mentor offering peer support.
